

Registration via Internet

At bibelfreizeit.hoffnung-weltweit.de, you can calculate prices for different possibilities for lodging and food and afterwards start your online registration. Maybe a friend can help you. This will help us save costs and facilitate organisation. Thank you very much! If you cannot register via internet, please contact Ms Daniela Weichhold.

Registration only valid by deposit payment

After having submitted the internet form, the participant will be informed via e-mail about which amount to pay on which account. Only after receipt of the non-refundable deposit payment you will be registered and will receive a confirmation by e-mail. Deposit payment is €50 for each adult or the total price if it is less than that.

Early Arrival

For a reduced price, it is possible to arrive already on Sunday, 4th August (with or without breakfast and lunch on Monday). However, the actual program only starts on Monday with supper. Please indicate at registration.

Early booking discount until 22nd May 2019

Until 22nd May, all prices are reduced by 4% (not applicable to day guests). This encourages early registration and enables us to pay our deposit to the hostel.

Registration deadline: 10th July 2019 – late booking surcharge

Please consider that we will accept further registrations after 10th July only after consulting us. **Since late registrations mean a lot of additional work for us, as of this year we will raise a late booking surcharge of a lump sum of 10 Euro per person on the total registration fee (2 Euro for day guests). Please be informed that in this case, participation is only possible with self-catering. The rooms in the house are primarily reserved for those who participate at the entire camp meeting (Monday through Sunday).** Those who stay for a shorter period can register for the campsite or search for an accommodation outside the venue and participate as daily visitor (a list with possible accommodations is available upon request). Please be aware that we calculate a surcharge for those participants who do not take part at the entire camp meeting (10€ for participants who stay in the house and 5€ for campers).

Payment deadline: 10th July 2019

If the complete amount is not credited to the account of [hoffnung weltweit](http://hoffnung-weltweit.de) **by 10th July**, we reserve the possibility to transfer your registration to another participant. **Please consider bank transfer time! For late bookings, transfer to our bank account should be done without delay. Please understand that during the camp meeting, we would like to keep time consuming cash transactions to a minimum.**

Cancellations

For cancellations until 10th July 2019, the deposit of 50€ will be retained. For cancellation after 10th July or in case of no-show, reimbursement is unfortunately not possible, except it's due to a sudden case of death or bereavement. However, the registration fee is in no case reimbursable. It is generally possible to transfer your participation to another person, but only after consulting us.

Room furnishings

Multi-bed rooms with shower and toilet or with washbasin and easily accessible shared shower and toilets. Double or single bed rooms for an extra charge.

Camping

There is space for tents and trailers (registration required). There is also a self-caterer kitchen for campers and guests.

Catering

The kitchen team will serve three vegan meals per day. People with special dietary needs may use the self-caterer kitchen as the kitchen team cannot accommodate such needs. On Sabbath, the kitchen will provide a lunch which will take the least possible effort.

Case of hardship

This year, we have a small fund at our disposal to reduce the costs for a restricted number of socially weak participants. However, due to the fact that this fund is limited, we would appreciate if you could first ask your friends and church family for financial support. Somebody who is interested in your spiritual wellbeing, and who disposes of the means, will certainly be

willing to support you. If you have been blessed in our past camp meetings and would like to express your gratitude through a donation to our fund, we would appreciate it very much. **Please be aware that we are not able to consider retroactive installment payments.** Thank you for your understanding!

Video recordings

Through registration, the participant agrees that hoffnung weltweit e. V. will publish, for illustration purposes, the recorded pictures and videos taken during the event on the website of hoffnung weltweit e. V. as well as on social media. In case the participant disagrees with this, they can notify us upon registration at the venue.

Form for children

We would like to ask the parents who send their children to the children's programme to fill in a form with some information. Please send it back to us beforehand or bring it directly upon registration at the venue. You will find the form under this link:
https://bibelfreizeit.hwev.de/files/Formular_Kinderbetreuung.pdf

Other expenses

Our prices do not cover the traveling expenses of our speakers and other expenses for the camp meeting. For these purposes, we will take up an offering on Sabbath morning.
